

Product Safety Recall

SMILE BEAR BABY NECESSARIES PACIFIER

On the advice of the NSW Office of Fair Trading, Extra Save is conducting a voluntary recall of the Smile Bear Baby Necessaries Pacifier.

There is a concern that because of its size the shield may block the airways of a young child. In addition the ring on the dummy can detach and create a choking hazard.

This dummy was sold at this store between June 2008 and June 2009. Consumers should cease using this dummy immediately and destroy or return to this store to receive a full refund
