

Product Safety Recall

Tiny Love P/L worldwide is issuing a voluntary recall of its older Wind Chimes model, produced prior to 2009. The current Wind Chime models are made in a different factory and pose no risk.

The wind chimes are being recalled due to a few complaints from consumers overseas regarding the quality of some of our wind chime products, a product which over 2.5 million units of were produced and sold worldwide.

As your baby's safety is the most important thing to us, we have decided on a voluntary recall of the affected products despite very remote chances of harm. We feel a great responsibility to our customers and we will not expose them to even the smallest risk.

The affected products are:

		
Baby Wind Chimes	Baby Wind Chimes - Ocean	Tiny Smarts – Baby Bunny without orange clip
		
Wind Chime - Louie	Wind Chime - Ella	Tiny Smarts Gift Set *Bunny Wind Chime Only

If you have one of these items please stop using them immediately and contact us on Email: info@valco.com.au or Phone: 03 9581 8014 to arrange their return to us and organise a free replacement toy.
