

Product Safety Recall

Light Up Sheep, Light Up Cat, Light Up Wombat and Light Up Whale Toys (Light Up Toys) distributed as a free gift at various Vicinity Centres shopping centres (refer to <http://www.vicinity.com.au/media-centre> for a full list of relevant centres) between 16 November 2015 and 7 December 2015.

The toys are illuminated globe figurines and can be identified on the basis of the image above.

Defect: Vicinity Centres has decided to recall all Light Up Toys because of a risk that the small button batteries inside the toy may be accessible to children.

Hazard: If young children gain access to the button batteries and ingest them, they may suffer internal burn injuries, which can result in serious illness and even death. In addition, the batteries may pose a choking hazard to young children.

What to do: Please either return the toy to centre management at one of the above shopping centres or safely dispose of the toy.

For more information, please contact Vicinity Centres by calling: 1800 855 008 or via email at product.recall@vicinity.com.au
