What are the defects?

The blinds do not have complete warning labels and instructions as required by the Trade Practices (Consumer Product Safety Standard—Corded Internal Window Coverings) Regulations 2010.

What are the hazards?

Failure to install the blinds in accordance with the instructions or installing them while unaware of the risk of strangulation by the cord poses a serious safety risk to children.

What should consumers do?

Consumers should contact the place of purchase to obtain a refund.
