

PRODUCT SAFETY RECALL

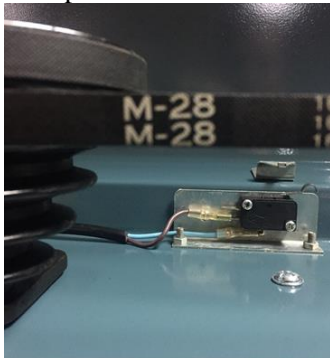

Woodman DP-CH-18/1 Floor and Bench Drill Press Models

To whom it may concern,
Gregory Machinery takes product quality and safety very seriously and wishes to advise customers of a recall on the product mentioned above. Please see serial numbers on our website to check if your machine is affected: <https://www.gregmach.com/product-safety-recall/>

Product SKU: T-P*DPCH-18F/1 and T-P*DPCH-18/1

Defect: The Drill Press has exposed wires and terminals on the limit switch inside the pulley cover. See example below:

Hazard: Possible electric shock, serious injury or death.

What to do? Stop using the machine immediately, remove from power supply and tag out the machine. Customers can return their machine to Gregory Machinery for rectification.

Rectification: Heat shrink must be applied over exposed wires and terminals on the limit switch inside the pulley cover. See example below:

Contact details: For rectification please contact the Gregory Machinery Service Department on 07 3375 5100 or service@gregmach.com.
