

Product Safety Recall

Worx Dining Chair

Product Description: Fantastic Furniture is recalling its WORX Dining Chair that was sold in its stores from August 21, 2014 to November 24, 2015.

Hazard: The tapering of the inside bottom of the chair legs may lead to an entrapment or laceration hazard.

Action: Fantastic Furniture will supply free plug insert kits to customers and these insert plugs will need to be inserted into the inside legs of the Worx Dining Chair/s. The dining chairs should only be used once the insert plugs have been properly fitted.

Please visit the store where you purchased the 'Worx' Dining Chair to pick up your free insert kit, e-mail customercare@fantasticfurniture.com.au or contact your local Fantastic Furniture store.

Alternatively, you can return your Worx Dining Chair/s for a full refund.
