

Product Safety Recall

Wooden Baby Cot Crib Toddler Bed & Wooden Baby Cot Crib Toddler Cradle Bed

Defect: The products do not comply with the Australian mandatory safety standard, AS/NZS 2172:2003. The costs fail various design, construction, performance and labelling requirements.

Hazard: The cots pose numerous potential risks to infants and children including entrapment, choking and fall hazards.

What to do: Consumers should stop using the cots and contact Email Pty Ltd by calling 0411 383 997 or by emailing 920514194@qq.com to arrange for a refund and for the faulty cot to be collected.
