

Product Safety Recall

Product Description

Bean Bag and Bean Chair Covers

Identifying Features

MA2147, MA2148 & MA2149

What are the defects?

The inner zip on the bag does not have a child-resistant fastener.

What are the hazards?

In contravention of the mandatory safety standard for bean bags, the inner bag is not fitted with a child-resistant slide fastener and may therefore provide access to the polystyrene beads, which pose a potential choking hazard to young children.
